Board Meeting [electronic] Minutes concluding on May 20, 2003

030519 On May 19, 2003 Bob, KC7DRQ, President sent out to all WWRA Board Members a request for an up/down vote for authorization to spend approximately \$184 to purchase a Radio Shack THX 420 handheld dual band radio to be used as a door prize at the next general meeting.

FM: KC7DRQ, Bob Williams

TO: WWRA Board of Directors

SUBJ.: Purchase of Radio Shack THX 420 Dual Band Handheld Radio

To All WWRA Board Members:

I have an opportunity to pick up a brand new Radio Shack THX 420 DUALBAND handheld for \$184 for the next General Membership Meeting DOOR PRIZE. Last year we raffled off a \$500 radio but many people who bought chances were not members and were not present because that was the way we had to run it to recoup our expenses. We originally wanted to increase attendance so this year I am going for a cheaper radio with the requirement that you need to be a member [\$20 please] and be present so as to increase participation at the meeting. I need a return email vote ASAP from all of you so we can get this radio while it is still on sale. It is reduced by \$100, a significant savings. Thank you for your quick responses.

Bill, KC7DRQ

President, WW7RA

030519 I vote **"YES" Bill N7YT**
