**WWRA OPERATIONS COMMITTEE MEETING**

Held at

Kitsap Regional Library, Sylvan Way, East Bremerton, Washington

Operations Committee MEETING: Minutes of first 2004Ops Meeting held immediately after the General Membership meeting on January 31, 2004

WWRA Chief Operator, George, N7GME convened a meeting of the operations committee members Bill, N7YT, Joe, W7COM and himself to elect the CHIEF OPERATOR of the WWRA for 2004.

Since George and Bill are both members of the board of directors for the WWRA and the constitution prohibits one member holding two offices Joe was the likely successor to hold this post. Joe has been on the operations committee for over a year and with his IT background is eminently qualified to be lead in this position of the ops committee. With those facts in hand Bill and George both voted Joe as the new Chief Operator effective immediately.

The Operations Committee will continue on projects as before and report to you and the BoD via email and the Ops Task Tracking sheets posted on the WWRA website.
